**A WELCOME MESSAGE FROM THE PRESIDENT**

On behalf of the Los Angeles County Asian American Employees Association (LACAAEA), I would like to welcome you to our 2008 New Year "Meet and Greet" reception honoring our CEO William T Fujioka. The LACAAEA officers and I appreciate your attendance and continued support!

It is the beginning of a new year again. It is the time to reflect on the past year, our good fortune, our good friends, and to make plans for the future. For the Association it has been a very good year. Since the Summer 2007 "Meet and Greet", the LACAAEA successfully participated and supported various events, including All for the Love of Kids (sponsored by Supervisor Antonovich) the Hispanic Manager's Association Awards Ceremony, Los Angeles County Filipino American Employees Association's Annual Picnic and New Officer Induction, and the Vietnamese Employees Association of Los Angeles County The New Year Celebration. In addition, the Association has held its 24<sup>th</sup> annual Fish Fry in September and a Meet and Greet in November. I look forward to the New Year bringing a number of new activities for the Association with many opportunities to stay connected with our old friends and to meet new ones. I hope to see you there.

I am very proud that the Los Angeles County Asian American Employees Association is able to honor William T Fujioka tonight. Bill is the County's very first Executive Officer and is the first Asian American to hold either the chief administrative or chief executive position in the County. The Association welcomes him back to resume his County service after retiring from his position as Chief Administrative Officer of the City of Los Angeles, and looks forward to working with him in the future.
